

**D**ESIRABLE FARM FOR RENT.—I desire to rent my "Groveton Farm," containing about ONE HUNDRED AND SIXTY ACRES, lying in Fairfax county, on the Mount Vernon road, adjoining the land of W. P. Quisenberry, for one year, or a term of years, from the 1st of January, 1860. To a good and responsible tenant (the rent being well secured,) I will rent the farm at a moderate rate. The improvements consist of a good DWELLING, stable, corn house, and smoke house. There is a good well of water near the door.
